**EXAMINER'S COMMENT OR AMENDMENT**

An examiner's comment or amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In response to the 10/24/01 Remand to the Examiner from the Board of Patent Appeals and Interferences, and after a full review and reconsideration of this application, we find that the proper Rule 60 filing herein contained copies of 07/356,361 and a preliminary amendment. That amendment changed the '361 text to conform to design patent practice and the '361 drawing to also conform to design patent practice. The appealed rejections have been overcome. This application will issue with the drawings filed September 5, 1966.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alan P Douglas whose telephone number is (571) 272-2588. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
